To Whom It May Concern:

This letter is to confirm that Avijeet Palit of the TNB College, Bhagalpur & IIT Madras registered for the 2023 Sagan Exoplanet Summer Hybrid Workshop on "Characterizing Exoplanet Atmospheres: The Next Twenty Years". The workshop was hosted by the NASA Exoplanet Science Institute at the California Institute of Technology in Pasadena, CA.

The workshop was held as a hybrid workshop from July 24-28, 2023 with both in-person and remote attendance via a Zoom webinar. The workshop included lecture presentations, hands-on sessions (<https://nexsci.caltech.edu/workshop/2023/handson.shtml>), in-person and virtual poster sessions, and the opportunity to meet with the speakers. More information on the workshop, including the agenda, including links to the recordings of the presentations, can be found at: <https://nexsci.caltech.edu/workshop/2023/>.

Avijeet Palit registered for the workshop held during the week of July 24-28. They also attended meetings with speakers; helped facilitate hands-on session instruction; attended the EXCALIBUR workshop remotely July 29.

Please let us know if you have any further questions.

Sincerely,
Ellen O'Leary
